## Passo\_1

The image shows a screenshot of a web browser window. The browser's address bar contains the text "quem me põe nem me vê". The main content area displays a stylized map where buildings are represented by solid black shapes and streets by white lines. Several yellow dots are placed at various points along the street network. In the bottom-left corner of the map area, there is a small rectangular inset photograph of a street scene with buildings and trees. A black arrow points from this inset photo to a specific location on the map. The browser's taskbar at the bottom shows the Windows logo, search icon, and several application icons. The system tray on the right indicates the current location as "Área de Trabalho", the time as "18:02", and the date as "04/05/2021".
